

QS Graduate Employability Rankings Guidelines

Our guidelines are not definitive templates and the most important aspect is to receive good quality data to provide a useful analysis on employability.

1. Process for submitting your nominations:

Online Portal QS [HUB](#) under 'Statistics' Tab

Graduate
Employability

2. In the future, if you wish to opt out of the Graduate Employability Rankings, we request you to express this to us at rankings@qs.com .

EMPLOYERS' CONNECTIONS WITH GRADUATES

The number of distinct companies present at events on campus or that used university-related websites in a recent **12-month period** to promote themselves.

This has 2 fields: Connections in campus and Connections online.

EMPLOYERS' CONNECTION ON CAMPUS	EMPLOYERS' CONNECTION ONLINE
<p>PROMOTIONS: general marketing actions or events covering any other general topic will not be accepted. The talk/event needs to be about the company as a potential/actual employer/recruiter.</p>	<p>Online talks/events/webinars are accepted</p>
<p>Recruitment fairs/event have to be held in the University or at their campus.</p> <p>OFF campus will not be considered.</p> <p><i>Off campus is defined as the event/fair is held/sponsored completely by the third party and not the university.</i></p>	<p>It is a requirement that the promotional activity was delivered via an official institutional website or via an intranet exclusive for students/graduates of the university.</p>

Guidelines and Evidences:

1. Under the **Value** tab on QS HUB, for on-campus and online, **ONLY** the **distinct** count of the companies is to be entered. The same company **will not** be counted more than once.
2. For on-campus and online number it is **mandatory** to provide evidence through the 'employers-connections-template' under **Download template**
3. The institution should provide **links** that presents evidence of the mentioned event/webinar.
4. Upload the completed file 'employers-connections-template' in **CSV UTF-8 format only** and file size **cannot** exceed 10MB.
5. For **Source** please select 'Direct' as this is a Direct submission by the University.

PARTNERSHIPS WITH EMPLOYERS

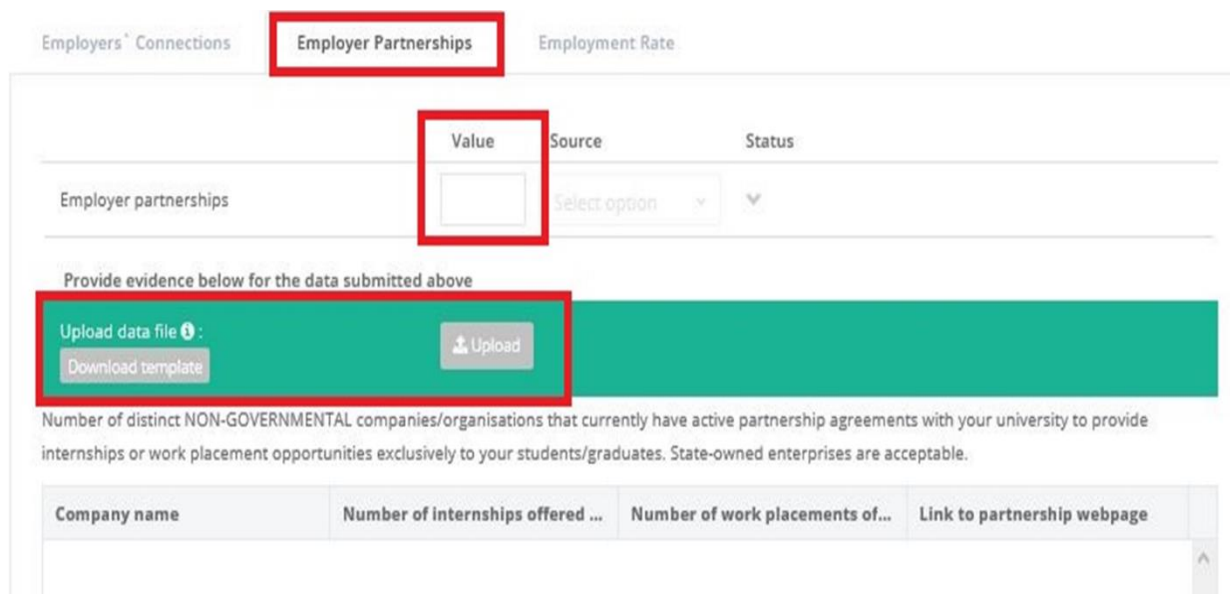

We only considered **distinct companies** for this indicator, i.e., even if a company was listed multiple times, we have to counted it once.

INCLUDE
NON-GOVERNMENTAL companies/organizations that currently have active partnership agreement with your university (to provide internships or work placement opportunities exclusively to your students/graduates).
State-owned ENTERPRISES are acceptable
PARLIAMENTS Parliamentary Internships (students intern with Members of Parliament (MPs))

EXCLUDE
Subsidiaries of companies E.g.: Amazon India, Audible, Zappos, Abe Books, Souq.com all should be mentioned under one company Amazon.com, Inc.
Universities and other academic establishments (schools/colleges/Instructions).
Governments including ministries and other agencies controlled by governments. e.g. Consulates, embassy.
Research-only and promotional partnerships Companies (only for banner-ads, promotional materials on campus, etc).

Guidelines and Evidences:

1. Under the **Value** tab, for employer partnerships the **distinct** count of the companies has to be entered.

9. Once the values and evidence have been uploaded press  to assure the data has been successfully uploaded.

GRADUATE EMPLOYMENT RATE

The proportion of graduates (excluding those opting to pursue further study or unavailable to work) in full or part-time employment within 12 months of graduation.

Graduate employment data for a different period post-graduation is acceptable as long as it's a shorter one (e.g. 3 months or 6 months).

Guidelines and Evidences:

Entrepreneurship

This section does not affect the overall weightings for Graduate Employability Rate indicator.

We do not want to instigate additional work, depending on data availability this may lead into a stream of work around the topic.

Update this section if the University has this data readily available.
